

INTRUSIONWORLD PRE-CONFERENCE PROGRAM - Monday, May 12, 2008

9:00 – 5:00PM	Foundations of Intrusion Prevention: Effective Implementation Strategy
---------------	--

5:00- 7:00PM	WELCOME RECEPTION (Lobby of Radisson Hotel)
--------------	---

[RM 314] COMBINED GENERAL SESSIONS PROGRAM- TUESDAY, MAY 13, 2008

8:00	CONFERENCE POWER BREAKFAST (Sponsored by StillSecure)
------	---

8:25	<p style="text-align: center;">CONFERENCE INTRODUCTION</p> <p style="text-align: center;">Andrew Berkuta, Senior Security Strategist, McAfee & WSIP Advisory Board Chair</p>
------	---

8:30	<p style="text-align: center;">INTRUSIONWORLD KEYNOTE</p> <p style="text-align: center;">Automated Situational Awareness</p> <p style="text-align: center;">Ron Gula, CEO, Tenable Security, Inc.</p>
------	---

9:30	<p style="text-align: center;">WSSC KEYNOTE</p> <p style="text-align: center;">Handling Multiple Credentials in a Heterogeneous SOA Environment</p> <p style="text-align: center;">Eric Newcomer, CTO, IONA</p>
------	---

10:30	<p style="text-align: center;">[RM 308] EXPO Hall Demos</p>
-------	--

11:00	<p style="text-align: center;">PANEL SESSION</p> <p style="text-align: center;">Topic: Identity Theft & Management in Financial Institutions (Sponsored by Provident Bank)</p> <p style="text-align: center;">Moderator: Provident Bank Chief Privacy Officer</p> <p style="text-align: center;">Panelists: All Chief Privacy Officers of Financial Institutions, Patrick Harding, CTO, Ping Identity, Joel Tietz, Chief Privacy Officer, AXA Financial, Michael Drobac, Director, Merrill Lynch.</p>
-------	--

12:00	<p style="text-align: center;">LUNCH BREAK (Sponsored by SSH Communications) - EXPO HALL OPENS</p> <p style="text-align: center;">[RM 314] INTRUSIONWORLD CONFERENCE PROGRAM - TUESDAY, MAY 13, 2008</p>
-------	---

1:00	<p style="text-align: center;">PANEL SESSION</p> <p style="text-align: center;">Topic: PRIVACY & COMPLIANCE</p> <p style="text-align: center;">Moderators: Joel Tietz, Chief Privacy Officer, AXA Financial, Michael Drobac, Director, Merrill Lynch.</p> <p style="text-align: center;">Panelists: Laura Taylor, CEO, Relevant Technology, John Petze, CEO, Prevaris, Patrick Harding, CTO, Ping Identity, Arthur H. Coupe, Director, CSC, Kathleen Carroll, Director, HID Global</p>
------	---

2:00 – 5:30	[RM 314] IntrusionWorld BUSINESS TRACK	[RM 316] IntrusionWorld TECHNOLOGY/ COMPLIANCE TRACKS	IntrusionWorld Business
-------------	---	--	------------------------------------

2:00 –2:40	<p>Security ROI vs. TCO: Conventional Wisdom vs. a Smarter Way to Evaluate Security Investments</p> <p style="text-align: center;">Joe Gersch, VP, Secure64</p>	<p>Data Breaches: Preparation and Response</p> <p>Joel Tietz, Chief Privacy Officer, AXA Financial With Michael Drobac, Director, Merrill Lynch.</p>	
------------	--	--	--

2:40-3:20	<p>Overcoming the Obstacles of Biometrics to Shore Up Your Security Strategy</p> <p style="text-align: center;">John Petze, CEO, Privaris</p>	<p>Secure Internet SSO - How to let the good guys in while keeping the bad guys out</p> <p style="text-align: center;">Patrick Harding, CTO, Ping Identity</p>	
-----------	--	---	--

3:20-4:00	<p>Creating Trusted Identities Within The Enterprise: Understanding Identity and Access Management</p> <p style="text-align: center;">Arthur H. Coupe, Director, CSC</p>	<p>Three New Layers of the OSI Model That Can Make or Break a Security Project</p> <p>Michael Scheidell, founder, SECNAP® Network Security Corp.</p>	IntrusionWorld board meeting
-----------	---	---	-------------------------------------

4:00-4:40	<p>The Rising Relevancy of Intrusion Prevention</p> <p>Keith Stewart, Manager, Cisco Systems</p>	<p>Information Security - Moving Beyond the Firewall</p> <p>David Drab, Principal, Xerox</p>	
-----------	---	---	--

4:40-5:20	<p>Bodyguards and Band-Aids Scaling Back Your Costly Security Fortress With Self-Protecting Software Appliances</p> <p style="text-align: center;">Bill Worley, CTO of Secure64</p>	<p>Evolution of HIPS to CIPS as a Malware Research Tool</p> <p style="text-align: center;">Jacques Erasmus Director, Prevx</p>	
-----------	--	---	--

5:20	NETWORK WITH EXHIBITORS ON EXPO FLOOR -EXPO CLOSES 6:00PM		
------	---	--	--

6:00	DAY 1 EVENTS CONCLUDES		
------	------------------------	--	--

Get the inside story of what technologies and business solutions will change the face of IT in the next 5 years! Your stay!

Top vendors demonstrating IDS/IPS business Solutions and Technology!

[RM 314] COMBINED GENERAL SESSION PROGRAM - WEDNESDAY, MAY 14, 2008

8:00	CONFERENCE POWER BREAKFAST		
8:25	CONFERENCE INTRODUCTION Andrew Brown , Director, AmberPoint & WSSC Advisory Board Member		
8:30	WSSC KEYNOTE New Perspectives on Governance Management, and Identity Standards in the Service-Oriented Enterprise Paul Lipton , Senior Architect, CA		
9:30	How Data changed the IPS Andrew Berkuta , Security Strategist, McAfee		
10:30	[RM 308] EXPO Hall Demos		
11:00	PANEL SESSION Topic: Securing Online Financial Transactions: <i>Enabling Technologies vs. Institutional Culture</i> Moderator: Patrick Harding , CTO, Ping Identity, Panelists: Tim Brown , Director, Symantec, George Adams , CEO, SSH Communications, Michael Scheidell , founder, SECNAP® Network Security		
12:00	LUNCH BREAK (Sponsored by Angarai International, Inc.) - EXPO HALL OPENS INTRUSIONWORLD CONFERENCE PROGRAM - WEDNESDAY, MAY 14, 2008		
1:00	[RM 314] PANEL SESSION Topic: Coupling Identity Management with Intrusion Prevention Moderator: Alan Shimel , Chief Strategy Officer, StillSecure Panelists: Bill Worley , CTO, Secure64, David Drab , Principal, Xerox, Keith Stewart , Manager, Cisco Systems, Ron Gula , CEO, Tenable Security		
2:00 – 5:30	IntrusionWorld BUSINESS TRACK	[RM 314] IntrusionWorld TECHNOLOGY TRACK	[RM 316] IntrusionWorld COMPLIANCE TRACK
2:00-2:40		The Operationalization of Security Alan Shimel , Chief Strategy Officer, StillSecure	Compliance Boot Camp: A Take Charge Objective George Adams , President and CEO, SSH Communications Security Inc.
2:40-3:20		Botnets - How they Work and How to Thwart Them Harold Stonebraker , Senior Security Analyst, FireEye	How to Market Intrusion Detection Products for FISMA Compliance Laura Taylor , President and CEO, Relevant Technologies
3:20-4:00		Self Cleansing Intrusion Tolerance – A New Approach to Security Arun Sood , Professor, GMU	Security Technologies and their Privacy Implications Kathleen Carroll , Director, HID Global
4:00-4:40		Shrinking the IDS Haystack Hank Leininger , author of Linux kernel hardening patches	Resiliency Applied to the Critical Infrastructure... More Than Just a Public/Private Partnership Don O'Neill , President, Center for National Software Studies
4:40		The Changing threat landscape and the evolution of Identity systems. Tim Brown Senior Director, Symantec	TBA
4:40	INTRUSIONWORLD EXPO CLOSSES AT 4:00PM		
6:00	CONFERENCE CONCLUDES		

Transforming the Next Generation of Intrusion Prevention
